Dear Parents / Guardians

"Give light and people will find the way"

Emmanuel Christian Academy together with Help The Rural Child will once again be hosting a mobile bookshop sale at our school on Tuesday, 1 June 2021 during the course of the school day. Help the Rural Child is a chain of charity shops that support the Goedgedacht Path out of Poverty Rural Youth Centres. The books sell from R30 & up, and will be in support of charity for underprivileged children.

This book sale ties in with the importance of reading. It is compulsory for all learners to write book reviews as part of the curriculum and we would like to encourage the learners to become more involved with reading. Learners can improve their languages, spelling and knowledge by reading English and Afrikaans age-appropriate books.

Each class will get the opportunity to visit the mobile book shop for 30 minutes to select a book or two. Please send a **Minimum of R30.00** to school with your child to purchase a book of their choice. The educators will assist the little ones with their book selection.

Please support this wonderful initiative and in so doing you are making a positive contribution to your community and your child will reap the benefits of owning a book to read.

Yours sincerely

Nic Young
Principal
