27 July 2021

Dear Parents / Guardians

SEPTEMBER 2021 MATRIC TRIALS TIME TABLE

Please see the attached time table for the September trial exams.

Learners need only attend school on days they write. They are welcome to come to school to study on other days.

They will write in the Matric Classroom. We may use other classrooms where required (for example if load shedding takes place.)

Learners need to be seated, with all the relevant stationary, 15minutes prior to the start of the exam. Use a transparent bag for stationary, no cover on your calculator and any water bottle must be transparent. You may **not** share or borrow stationery items in the exam.

Learners who are ill must contact the school at 8:00 on the relevant day to inform us if they will be absent on an exam day. Learner's must return with a doctor's certificate or they will receive zero for missed exams.

Learners may leave once they have written but may not leave the exam venue prior to the scheduled end time.

Please ensure you have NO items that may be considered compromising – electronic devices (incl. phones, smart watches etc.) or notes on you in the exam venue. Bags will be left outside.

Recommendation: Learners should work out a daily revision plan and then sit down with their Parents/Guardians and agree how to spend their time effectively.

Learners will have a normal teaching day Monday 30th and Tuesday 31st August and in the last lesson will set up the exam venue. Teachers will be available during matric lessons for assistance if pupils need help.

Learners coming into school must wear full school uniform and all expectations regarding appearance remain in place, remember you they are role models to our younger learners.

Good luck and don't forget your mask!

Yours sincerely

Nic Young
Principal
