12 May 2021

Dear Parents / Guardians

## **2021 MID YEAR TESTS : GRADE 1 – 6 (Monday 7 June 2021 to Friday 18 June 2021)**

We would like to draw your attention to the following matters regarding the mid-year tests:

Learners must have all the relevant stationery needed for each test. Learners may **not** share or borrow stationery items during the test period.

Parents must contact the school at 8:00 if their child / children are sick and if they will be absent on a test day. Learners must return to school with a doctor's certificate or they will receive zero for any test that has not been written.

Learners need to be seated at their desks at 8:00 am, repeat late comers will be given detention.

*School will end at 13:00 for all learners from Grade 1 – 12 as from 7 June 2021, except for Fridays when school will end at 12:35. Please arrange transport accordingly.*

Aftercare will be open during the exams for full time aftercare learners.

Learners need to attend school in full, correct and neat school uniform and adhere to our Dress Code policy.

Learners must please ensure that they have NO items that may be considered compromising – electronic devices (incl. phones, smart watches etc.) or notes with them in the test venue.

**Recommendation:** Learners should work out a daily revision plan and then sit down with their Parents/Guardians and agree on how to spend their time effectively. We urge all parents to assist their children with this process so that learners can be successful in these tests. This is especially important on days when learners may have more time available for study.

We expect that reports will be available at the school soon after we resume in term 3, however this is subject to final confirmation by the Education Department. Please make every effort to ensure that school fees are up to date in order to avoid any unnecessary delays in the handing out of reports.

School will resume on Wednesday 14 July 2021.

Good luck and don't forget your mask!

Yours sincerely

Nic Young  
Principal
