Dear Parents/Guardians

28 January 2021

I trust that this e-mail finds everyone in good health at this time. Welcome back after the break.

I wish to bring the following important aspects to your attention:

1. Grade 12's will start normal schooling on 8 February 2021. Please ensure that ALL Grade 12 learners attend school every day as it is compulsory.
2. The rest of the school will start on 15 February 2021. We are fortunate to lose only a few days because of the postponed opening as we have moved our test series a week later in March. The school will therefore close on 25 March 2021 for learners.
3. We will update you with all other changes to the calendar if necessary.
4. Please ensure that you sign up to our d6 communications programme to receive messages as it happens.

See you on 8 and 15 February.

Keep safe.

Warm regards

**Nic Young**  
Principal
