SUBJECT CHOICE FOR 2024

Subject choice is made based on a learner's career path choice and their strengths / abilities.

There are four compulsory subjects:

1. English Home Language
2. Afrikaans First Additional Language
3. Mathematics or Mathematical Literacy
4. Life Orientation

An additional three subjects must be selected. We have three different directions that you can choose from:

2. Commerce. This is Accounting and Business Studies, taken with an extra subject History. Accounting can be taken with Mathematics or Mathematical Literacy.
3. Sciences. This is Physical Science and Life Science and may only be taken with Geography (Geography is also a Science). Mathematics is compulsory and learners must have an average of over 50% at the end of Grade 9 and pass a baseline test to be able to take Mathematics.

Learners must first select the direction they choose and then the subjects involved. Select from the following:

Humanities		History Geography	Mathematics** or Math Literacy		Business Studies or Life Science	
Commerce		Accounting* Business Studies	Mathematics** or Math Literacy		History	
Sciences		Physical Science** Life Science	Mathematics** Only		Geography	

*To be phased out in 2024

** Learners need to have achieved a minimum of 55% in their last exam in order to take these subjects

Immigrant learners, i.e. learners who entered into the country in Grade 7 and later, who do not take Afrikaans, must take an extra subject from the choice above. These learners will be advised, depending on subject choice.
