Dear Parents / Guardians

## Re. Current taxi strikes / violence

We have been disturbed at the recent taxi strikes and the apparent increase in violence that is accompanying this action.

While we have been continuing with school in an effort to avoid the negative impact that this could have on our learners, it seems that the situation is escalating, and we cannot predict the outcome.

Due to the fact that many of our learners and staff are being affected by this current situation, we have therefore taken the decision to close the School and Aftercare for tomorrow, Tuesday 8 August 2023.

Wednesday 9 August is a public holiday, i.e. Womens Day, and the day on which the strike action is due to end.

School will therefore resume on **Thursday, 10 August 2023** for all learners.

Thank you for your understanding and continued support, keep safe.

Kind regards

Nic Young  
Principal
